Payment terms – fees

Fee invoices are sent to parents in October for the following school year. It is recommended that fees are paid by the middle of November to allow time for the processing of visas and other documentation.

Payment is required before an Offer of a Place for International Student form can be completed.

Additional charges are disbursed to the student's account and emailed to the parents monthly. This account will itemise details of all the charges and should be paid to the school by the 20th of the month following the invoice.

Please let us know if you wish to pay by credit card so that we can make arrangements. Alternatively, we can help students to open a local bank account in which parents can deposit a lump sum at the start of the year to cover disbursements. This should be $5000-$8000, depending on the student's year level.
